### GENERAL ELIGIBILITY

- Namibian registered company
- The applicant must be the producer, with a team containing a writer/script editor or director
- The producer should have the rights to the story with which they apply
- The team must, between them, have at-least two screen credits and the producer must have a producer credit, except for the newcomer category. Only the producer is required to have at-least one producer screen credit
- All members of the team need not be Namibian

### SELECTION CRITERIA

In assessing applications, the following factors are considered:

- The quality of the project, its central idea and wide audience appeal
- The marketplace potential of the project
- The likelihood of the project achieving financial returns
- The track record and or potential of the principles
- The proposed level of involvement of the Namibian principals, cast and crew, facilities and locations to be used
- The economic, employment, industry development and or cultural benefits for Namibia

### APPLICATIONS

- Provide a complete application form
- Attach any additional information to support your application
- Incomplete applications will not be considered
- Ensure you receive your Application Reference Number upon delivery to the NFC office

The selected teams must be willing to undergo a two-week script development workshop with a film expert in Windhoek.

An information sharing session will be held on 30 May 2019 with filmmakers to discuss the application process in detail.
